Aarts Plastics

Oasis, a sexy and colorful cap by Aarts Plastics B.V.

The unusual shapes and colors makes Oasis a very special closure, for the cosmetic and perfume industries.

During Beyond Beauty Paris, Aarts Plastics B.V. will show various ranges of products they are producing for their customers, such as caps, compacts, mini lipsticks but also some OTC products.

Dutch based injection moulding company Aarts Plastics B.V. has been specialising in producing products for their key markets cosmetics and pharmaceuticals.

The company is focused on producing large quantities combined with a high degree of automation.

Aarts Plastics B.V. will exhibit at Beyond Beauty Paris stand number C128.
