

Ching Fon

Ching Fon will present their comprehensive range of products at Interpack 2008, hall 07.2 stand A36-04

Ching Fon combine a high standard of quality with new technology and extraordinary service to produce a stylish and refined selection of containers.

Setting high standards for quality and with the application of the latest technologies they have become well known for producing elegant containers for cosmetic and personal care companies worldwide.

This range includes different types of jars as well as bottles with an attractive design. These products are available in a huge variety of colors to meet your packaging requirements.

Ching Fon are an experienced group in researching, developing and manufacturing cosmetic packaging. Ching Fon's products include containers and cases for lipsticks, powders, eyeshadow and blushers as well as plastic jars and bottles for a wide range of health and beauty products.

They have the experience to develop elegant cosmetics packaging since 1965. Now, Ching Fon present an eye catching series of skin care package as part of their extensive range of new products.

The image here shows just one of Ching Fon's new ranges; watch out in future newsletters for further ranges that also include compacts, jars, caps and bottles for a variety of beauty products. You can find their full product catalog on WEBpackaging.

Please visit their in stand 07.2 A36-04 at the Interpack show between the 24th and 30th April 2008.
