Ching Fon

Multifunctional lip and eye make-up containers

These carefully designed make up containers have been created in such a way that with a simple change of applicator they can be suitable for a variety of make-up products.

Ching Fon can supply this container with a mascara, lipgloss or eyeliner applicator to suit perfectly your products. These versatile containers could be great for a complete, matching make-up range. This collection could enable you to create a brand image for your full make-up line, making your products recognisable to your company on the shelves.

As with all their products Ching Fon offer a wide range of decoration possibilities to create the ideal packaging for your product.

Ching Fon was established in 1965 in Taiwan and has more than 40 years of experience in cosmetic packaging. Setting high standards for quality and with the application of the latest technologies they have become well known for producing elegant containers for cosmetic companies worldwide.
