Ching Fon

New soft-touch bottles by Ching Fon

Ching Fon are applying a new technique to blow mould the bottle with a soft touch appearance, offering a more economic product with high quality.

Thanks to this new technique they improve the appearance of their HDPE bottles into an elegant and soft touch packaging.

These bottles are available in 30ml, 50ml, 100ml and 200ml, perfect for any kind of beauty and personal care product.

Following are the most interesting advantages:

Reduce the cost and time per bottle as only need “one time production” without extra treatment.

Stable material that can support most formulas and ingredients to reducing any side effects.

Available with neck sizes 18/415, 20/410 and 24/410 to combine with standard pumps and caps.

Variety of styles as they offer customization possibilities for the bottle shapes or different decorations.

Eco-friendly packaging, without extra treatment they reduce pollution.

Ching Fon combine a high standard of quality with new technology and extraordinary customer service to supply a stylish and refined selection of containers.
