New multipurpose cosmetic compacts by Ching Fon

In addition to their latest rectangular make-up range, Ching Fon has developed multipurpose cosmetic containers in a squarer format. Available with 2 and 3 round wells inside for: eye-shadow, blush and lip-gloss; with or without mirror.

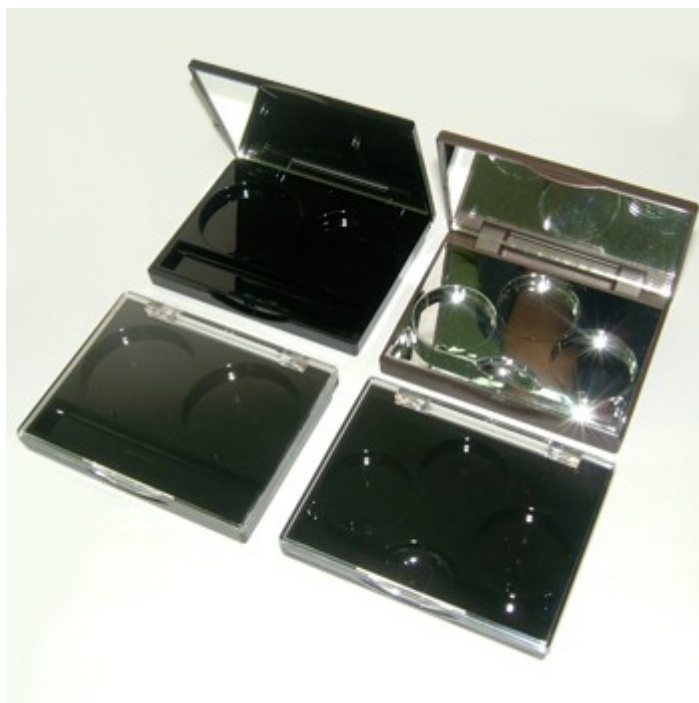

Light weight yet solid, the compact has a variety of lids to choose from, whether you want a mirror on the inside or a fully transparent lid to allow customers to see the inside palettes, all of which are perfectly hinged to the platform.

Available in several colours and also can be customizing with your desired look with the many options available. Following are the references and specifications:

Ref. 7133228-2, cosmetic compact with 2 round wells (size: 37mm) and 1 space for the applicator.

Ref. 7133228-3, cosmetic compact with 3 round wells (size: 27mm) and 1 space for the applicator.

Ching Fon is experienced in researching, developing and manufacturing cosmetic packaging, combining high standards of quality with new technology and extraordinary customer service to supply a stylish and refined selection of containers.
