CPL Packaging

CPL Packaging's brushed aluminum jars

CPL Packaging now offers the facilities to customise these jars with your company logo or other designs. They also have the facilities to lacquer the inside of the jars to create just the look you require for your packaging.

As well as the two above described design possibilities CPL Packaging also have the facilities to colour the jars using an anodizing process, this enables them to offer the jars in a variety of colours such as pink, blue, black or red.

The specifications for these jars are as follows:

RJA-150: 150ml, height:40mm, dia:83mm

RJA-100: 100ml, height:27mm, dia:83mm

RJA-80: 80ml, height:33mm, dia:67mm

RJA-60: 60ml, height:25mm, dia:67mm

RJA-40: 40ml, height:20mm, dia:58mm

CPL Packaging Industry co,ltd. was established in 2003 as a professional manufacturer of oxidation aluminum and plastic cosmetic packaging. Products produced include aluminum jars & caps, lotion bottles, airless bottles, acrylic bottles, PETG jars, PET jars, glass bottles and so on. In addition, they can make new moulds, UV coating, printing & hot stamping decoration for their customers.
