CPL Packaging

Slanting shoulder series by CPL

This family of bottles and jars with a slanting shoulder style is the new set series developed by CPL Packaging. They are available from 10ml to 200ml to offer more packaging choices for customers to promote their beauty and personal care cosmetics.

This family is a plastic alternative to CPL's already existing slanting shoulder glass jars. Here are the specifications:

Bottles available in 30ml, 60ml, 120ml & 200ml and is composed of a PET bottle, a PP cap, an insert on the bottle mouth and a stopper inside the PP cap.

Clear jars are made of PET and are available in 80ml, 150ml & 200ml. Their components are: a PET jar and a cap available in plastic, aluminium or anodized aluminium.

The double wall jars are made in PP with an ABS cap and they are available in 10ml, 20ml & 30ml.

China Packaging Line (CPL) is a professional manufacturer of aluminium and plastic cosmetic packaging, designing some exquisite bottles and jars with different closures and dispensers and with more than hundred of products in different shapes, colours and materials for all kinds of market.
