Hopf

New Drop-Line thick walled jars by Hopf

A new line of thick walled jars available for the cosmetic industry with a wide range of decoration possibilities to enhance your product presence.

Drop-Line range is made of 5ml, 30ml, 50ml thick walls jars and lids. The jars are made of SAN available with or without insert PP.

Decoration possibilities are many: Silkscreen printing, hot stamp printing, metallization and lacquering are available. In addition to these decoration options, different shapes of lid are available that changes the look of the jars to personalized your products just the way you want.

Hopf have been supplying high quality plastic jars, bottles and caps to the pharmaceutical and cosmetic industries for over 100 years. They aren't only a company, which produces injection moulded and extrusion blow moulded products, but also a creative team, which combines creative design with the latest technology to produce your exact requirement.
