Neopac The Tube

Polyfoil Oval Tube to be presented by Neopac at easyFairs

Neopac will be present at the easyFairs show in Birmingham, UK on March 12th and 13th Stand 438 showing their products which are ideal for the Cosmetic, Personal Care and Healthcare markets.

Combined with metallic effects, the oval tube offers new accents in terms of aesthetics and facing," says Monika Rüegg, Head of Sales&Marketing Cosmetics".

A wonderful opportunity to make a product stand out at the point of sale. The tubes are available in oval form of 46,5x31 mm and 58x40 mm, which refers to a capacity of 75 –300 ml.

- To start, Neopac offers a screw cap with possibility of top-seal.
- A flip-top cap will be available in Spring 2008.
- The oval tube can also be delivered in PE-finish.

Polyfoil[®] tubes may be printed all-round and offer shape retention, allowing text and images to remain legible until the product is empty.

Watch out for Neopac's new product catalogue that will be presented shortly exclusively on WEBpackaging!
