## Neville and More turn spraying world upside down with the new 360 degree mini trigger sprayer

### ENHE

Neville and More have launched a brand new spray pump which has been specifically developed to facilitate 360 degree spraying. This enables the consumer to spray products in all those places which until now have been difficult to get to.

Ideal for personal care products, for reaching difficult parts of the body and hair.

Use in the garden to spray under those inaccessible leaves.

Reach all parts of the wheel trim when cleaning, lubricating or polishing your car.

Freshen up those parts of the house which until now have been impossible to access.
