Rexam Beverage Can - North America

**REXAM**

Rexam is the No. 3 beverage can maker in the US. We have plants located across the United States close to where our customers do business. We also have plants in Mexico and Guatemala. We strive to set new industry standards for excellence. Our innovation extends across all aspects of our business from graphics and design to the way we engage with our customers. We are the only beverage can maker with our own technical and manufacturing facility devoted to working with customers to design, specify and create a beverage can. We are also implementing advanced web-based technologies to make it easier for our customers to do business with us whether they are specifying a can, placing an order, receiving or making a payment.
