REXAM

Rexam Beverage Can - South America

REXAM

Rexam is the major manufacturer of beverage cans and can ends in South America. We make aluminum cans in various sizes for a wide variety of beverages, including beer, soft drinks, juices, energy drinks, FABs (Flavoured Alcoholic Beverages), wine and tea. Our plants are strategically positioned across the continent to provide our customers with what they need, when they need it. We have plants in Brazil, Argentina and Chile. We are committed to excellence and apply up-to-date supply chain concepts and techniques. Our highly qualified team is continually looking to extend our range of products and innovations, as well as to improve the quality of our existing products.
