## Gemini and Saturn with adapter-ring by SHB GmbH & Co.KG

"Now the world will be coloured!" With this patented ring part you can now make all GEMINI III bottles even more colourfull with a THIRD (!!!) colour.

On top of this SHB can now offer the opportunity to put an engraving onto this ring. And it goes without saying the SATURN III cap with ring is delivered ready assembled and complete.

SHB is one of the largest manufacturers of standard bottles and caps for the personal care and household market sectors.

Innovation is the key to their success, being one of the first companies to introduce a tri injection 3 colour BOND3 closure is a clear indication of this.

With a massive range of standard bottles and caps to choose from, SHB will give you the customer an opportunity to buy into leading edge design.

SHB - where innovation is KEY!
