SHB GmbH will present their new Gepo bottles at Rosupak Moscow

SHB GmbH invite you to visit them - and their Russian representative Centr Upak - at Rosupak Moscow on June 15th-19th, where they will be presenting their latest Gepo bottles.

SHB GmbH are leader in design and manufacturing of standard bottles and caps for the personal care and household market sectors.

The Gepo bottle comes in 300ml, 500ml and 750 ml.

For this new line, SHB GmbH can offer 3 different closures - GEMINI III, SATURN III and VENUS III - all designed to match perfectly these new bottles and therefore providing various different styles for on the same bottle.

SHB's product configuration can help you to combine different products, colours and various closures, in order to meet their customers' requirements and create an attractive and personalized line of products.

To sum this up, the Gepo bottles have modern shapes, a wide range of colours to choose from as well as various eye catching closures possibilities.

SHB GmbH invites you to visit them at the Centr Upak booth during Rosupak show held on 15th-19th June 2009 in Moscow, Russia.
