SR Packaging

## Elegant and high quality PET and PE containers by SR Packaging

SR Packaging is delighted to introduce its innovative, colorful and decorated PET and PE containers with over 1000 references to offer.

The eye catching PET containers are available from 10ml to 5000ml in any color you want with neck size from 18mm to 120mm.

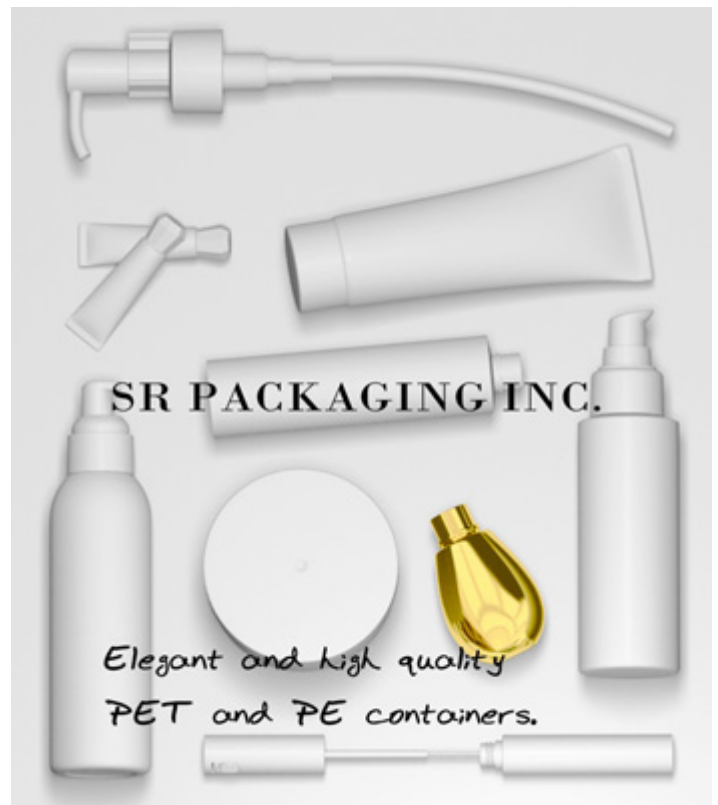

The transparent, semi-transparent and solid bottles also come with:

- Hot-stamping
- Soft touch coating
- Shrink wrapping

SR Packaging Inc owns 5 manufactories across China. All manufactories are ISO certified and equipped with testing facility in order to serve the top quality.

Besides molding plastic packaging components, SR Packaging Inc does all decoration under same roof. Decoration methods include silk-screen printing, multi-color offset printing, foil stamping, labeling, and spray coating.

SR Packaging Inc. carries enormous collection of produced bottles/jar/tube and with the maximum yield of 18 million units per month to meet the requirement for different capacity.
