Stak Plast's TE Series, combines high quality high-end acrylic jars with economic prices

These uniquely shaped elliptical jars meet the diverse needs of high-end brands; offered with various customization decorative possibilities and countless combinations with more than 6 different caps and hundreds of colours.

Stak Plast can provide quantities as low as 3000pcs per reference including customers' own printing.

TE Series jars are available in 30ml and 50ml and are suitable for beauty, cosmetic and personal care needs.

Stak Plast's program includes additional designs of 30ml and 50ml acrylic jars including standard round jars.

You can combine these high quality jars with Stak Plast's different cap options to have a completely different and personalized look for surprisingly low prices and great lead times.
