Stak Plast

Stak Plast Ltd., established in 1962, specializes in designing, manufacturing and decorating high quality plastic packages for the cosmetic, toiletry and pharmaceutical industries.

Stak Plast has succeeded in building a solid reputation by providing worldwide well-known cosmetic companies a total product solution – from the initial concept and designing of a packaging, through its decoration and delivery.

Stak Plast's capabilities mainly reside in its highly skilled team and in-house facilities. By providing full service packaging under one roof, customers save time and effort in acquiring high quality products. Stak Plast provides flexible service by accepting both small and large quantity tailor - made orders and by registering new products and special orders in short periods of time.
