Stölzle Glass Group

Stölzle Glass Group present two new eye-catching ranges in Birmingham

Two new standard glass bottles will be featured at Packaging Innovations: Beauty, watch-shaped with a heavy, quality feel, available in 100ml and 30ml and Bliss, a 200ml acid-etched cylindrical bottle originally designed for Champneys Perfect Sleep bath milk.

For the first time, Stölzle Glass Group, the Knottingley, West Yorkshire glass manufacturers, are to exhibit their full range of standard bottles for the perfumery, toiletries, cosmetics and personal care industry at the EasyFairs Packaging Innovations Exhibition, 11-12th February 2009 at Birmingham NEC. Stand No 291.

'As well as being a first port of call for custom designed bottles,' said Mark Devonald Smith, Group Sales Director, 'STO provides an expanding range of highly versatile, classically shaped, standard bottles that meet market requirements without development costs or lengthy delivery times. They are ideal for today's economic climate.'

STO Flaconnage has the largest decoration factory in the UK providing: ceramic and organic screen printing, hot foil stamping, transfer, spraying and acid etching. It also offers a wide range of closures, making it a true 'One-Stop-Shop'.

See the full range of containers from STO on the new website: www.stoelzle.com
