Taiwan K.K. / Taixing K.K.

## Counter tamper designs by Taixing K.K. Plastic

Supersede is a shringing film which can save labour costs and can make your products more convenient for filling. The film can prevent products from being damaged in the merchandising location, it also protects the goods' image and the consumers is assured that the product is not damaged.

Taixing K.K. Plastic Co., Ltd, located in the Yangtze River delta, are dedicated to designing, developing and manufacturing various high-quality lotion pumps and roll-on packaging.

They strive for perfection and aim to provide customers with the best quality products and services using advanced equipment and technology.

As an industry leader, they not only provide you a dispenser but a comprehensive dispensing solution and unique value sure to exceed your expectations whilst meeting your objectives.

They have done the best to keep ahead in the beauty packaging field and they hope to have a splendid future together working with you.
