Taiwan K.K. / Taixing K.K.

Explosion of colours from Taiwan K. K. Group

The Fairyland series is composed of colourful and enticing bottles and jars. The circular shape transmits calm in contrast with the variety of colours; this gives your product great shelf appeal.

The jar comes in sizes from 35ml up to 140ml and the bottles are available from 10ml up to 200ml.

As colour is essential for cosmetics products, they can produce coloured packages according to your requests. Taiwan K. K. Group are a leading professional manufacturer of high-end cosmetic containers in Taiwan and have already developed the famous cosmetic packaging trademark - Cosjar, which has been praised by many cosmetic companies worldwide.

They hope that the “Fairy” can bring your products to life, making them even more attractive to your customers.
