Taiwan K.K. / Taixing K.K.

Ladies' packaging by KK Group

Taiwan K.K., under their famous packaging trademark-Cosjar, has developed several series for ladies cosmetic and personal care products. Most of the series come in sets of 7 pieces with 4 bottle sizes and 3 jar sizes.

These series' were inspired by the most natural shapes encountered daily: oval, round and square but with a touch of love to make them special.

Either in opaque or transparent, their gorgeous and elegant look always captures the consumers' attention, offering uniqueness and innovative design to suit your products. A double layer crystal look will put your product in the higher range market.

Taiwan K. K. offers a unique finish with their various decorating techniques, such as:

- Color matching according to your product demands.
- Extinction process of misty interior and exterior surface.
- Logo or content available with silk-screen printing or gilding treatment.
- Gold or silver electroplating.
- Spray painting and powder coating of metals and plastics in multiple colors and tones.

The jars come in 10ml up to 60ml and the bottles from 15ml up to 200ml.

Taiwan KK is a leading professional manufacturer of high-end cosmetic containers in Taiwan and has been praised by many worldwide cosmetic companies. Their main activities are mold making, plastic injection, assembling production and custom decoration. Vacuum bottles, PP and PET bottles are also their specialties.

“Never stop after success!” is their motto. They have done their best to keep ahead in the beauty packaging field and they hope to have a splendid future together working with you.
