About US

YaFeng Packaging, established in 2004 and located in Guangzhou, China, is a factory that integrates manufacturing and trading, specialized in packaging materials like glass bottles, glass jars, plastic bottles and tubes for skincare, cosmetic, perfume and personal care products, etc.

We have obtained certificates like **ISO9001:2015** and **SEDEX membership** certificates, **environmental protection license**, and **Work Safety Standardization**, and we also take practical actions to implement environmental protection concepts.

We are professional in various coating processes like **spraying, frosting, painting, silk screen printing, bronzing, 3D printing, decals, thermal transfer printing, labeling** etc. We have set up the most advanced automatic spraying line(400m) in the industry, 4 automatic screen printing machines, 20 semi-automatic screen printing machines and 8 hot stamping machines. Based on these specialized equipment, we achieved **a capacity of 100,000pcs/day** and **an annual output of over 30 million pieces**, providing customers with convenient and fast one-stop procurement services.

We use environmentally friendly spray materials to reduce carbon emissions; optimize production processes to reduce energy consumption; implement waste classification and recycling to reduce the generation of garbage. At the same time, we cooperate with suppliers to promote recyclable materials and encourage customers to choose environmentally friendly packaging.

We are the OEM factory of SK-II, OLAY, L'Oréal, Lancôme, COTY, ESTEE LAUDER, VS, KLAPP, etc.

With the product quality and delivery speed that is higher than the standard of the same industry, coupled with the perfect after-sales service system, YaFeng is definitely your most reliable partner.
