Introducing our New Exclusive

ZENITH

Salon Range

Incorporating the same airless technology, the Salon Range offers higher capacity options for when more frequent dosing is required. Available in two stylish options; white PP finish for minimalist presentation or a glamorous clear SAN outer with gloss silver collar. The clear SAN range is available with a co-ordinating family of 5 double wall jars, 2 of which provide a 'dish' airless dispensing system. All options can be colour co-ordinated subject to applicable manufacturing quantities.
