**VERRERIES BROUSSE**

For over a century, Verreries Brosse, has remained passionately dedicated to its traditional glass making savoir faire. Using its industrial expertise, Verreries Brosse, focuses on continually improving its Normandy factory to meet the growing and ever changing demands of the international beauty market.

Thanks to Verreries Brosse's expansive manufacturing processes which include both semi-automated and automated production capabilities, Verreries Brosse, offers a complete range of glass packaging items: high end perfume bottles and stoppers, Limited Edition series, EDT fragrance bottles, Factice display bottles for the fine fragrance market as well as make-up/skin care bottles and glass jars for the cosmetic market.

Verreries Brosse is world famous for its "crystal like" glass color and impressive glass distribution. Brosse's expert technicians assist in developing both custom and stock glass creations while integrating cutting edge decoration techniques to personalize and to differentiate new launches.

Verreries Brosse remains committed to exceeding its clients' expectations for: innovation, top quality, customer service, and on-time deliveries.

The Zignago Vetro Group acquired Verreries Brosse in 2002 and also purchased Huta Szkla Czechy in 2011. Now with factories in: Italy (Zignago Vetro), France (Verreries Brosse), and Poland (Huta Czechy), the Group, is globally positioned to supply both stock and glass containers to the fragrance and cosmetic market covering mass market through luxury sectors.

Depuis plus d'un siècle, conjuguant tradition et modernité, les verreries Brosse ont su faire évoluer leur outil industriel afin de l'adapter aux besoins du marché de la Beauté.

De par la diversité de ses procédés de fabrications, semi-automatique et automatique, Verreries Brosse développe une offre unique qui couvre l'ensemble des packagings standards verre qui composent la gamme de vos lignes : édition limitée, extrait, factice et Eau de Toilette pour la parfumerie avec aussi des flacons et pots cosmétiques.

Avec une offre de packagings standards constamment renouvelée à travers de nouveaux designs pour la parfumerie, la création de nouvelles gammes pour la cosmétique et des possibilités de différenciation de par l'éclat de notre verre et un éventail large de techniques de parachèvements ; les verreries Brosse se veulent être un acteur dynamique et créatif afin de satisfaire les besoins de vos marchés.

Une offre soutenue par des investissements en moyens et services industriels qui nous permettent de répondre à vos attentes en termes de compétitivité, réactivité, qualité et flexibilité.

Une offre des Verreries Brosse sur le segment haut de gamme renforcée depuis son rachat par le groupe italien Zignago Vetro en 2002, qui vient compléter celles des segments "lifestyle" de Zignago Vetro et "mass market" de l'entité Huta Czechy.
