Enhancing your product and fulfilling your expectations but not at the expense of the environment.

For more information on our packaging design and production services for the food industry and packaging case studies visit us at [www.macpac.co.uk](http://www.macpac.co.uk)

## About Macpac

Macpac has historically worked in the highly demanding and fast moving retail sector. Our reputation is exemplary for service, low cost tooling, flexibility and quality, which is something that we can see missing in the food sector.

Established in 1973, our longevity speaks for itself, it says a lot about who we are.

Our 600 pallet capacity finished goods warehouse.

The latest addition to our thermoforming machine line up.

## Contact us

If you feel we could help with your thermoformed packaging requirements - we would love to hear from you.

Call us on **0161 442 1642** for an initial chat, or to arrange a visit from one of our regional sales engineers.

Alternatively, email us at [info@macpac.co.uk](mailto:info@macpac.co.uk)
