# Innovative Design

## Plantpac<sup>®</sup>

### Developed with specialist expertise

The Plantpac range has been developed in collaboration with a major mail order plant supplier. The resulting easy to assemble packs provide maximum protection and ventilation for the plants during transit and display.

Secure clips easily closed when wearing gloves.

Designed for maximum ventilation

### At a glance

- ✔ Patented pack design
- ✔ Unique locking feature
- ✔ Simple secure and fast pack closure even when wearing gloves
- ✔ Packs can be personalised with customer logos on front face for a small extra cost
- ✔ Packs manufactured in clear R-PET for high clarity foliage display
- ✔ All packs are made from recycled material and can be further recycled after use

# A range of sizes
