STANDARD CAPS FOR ALUMINIUM CANS

Dal 1971 la CRISAN PLAST S.r.l. opera con successo nel settore dello stampaggio a iniezione dei tappi e degli erogatori in plastica per bombole SPRAY, proponendo la più ampia gamma di erogatori senza pastiglia in Europa.

Tutti gli articoli possono essere prodotti nella versione per valvola 4 mm o nella versione per valvola 3,9 mm e con diversi fori di erogazione utilizzabili per la maggior parte delle applicazioni nei seguenti settori di mercato: **COSMETICA, PRODOTTI PER LA CASA, VERNICI, SPRAY PER AUTOVETTURE.**

Per ogni prodotto CRISAN PLAST produce il giusto erogatore in una perfetta combinazione tra alta tecnologia e piacevole aspetto estetico. Con tempi rapidi di produzione e con la possibilità di creare articoli personalizzati per i suoi clienti, CRISAN PLAST soddisfa le aspettative di tutti.

Dopo 46 anni di attività l'entusiasmo nel creare nuovi articoli è lo stesso di sempre e lo è anche il desiderio di continuare a produrre qualità a prezzi accessibili, con un'attenzione particolare al rispetto per l'ambiente.

Lo slogan di oggi per Crisan Plast è: **COSTRUIRE IL FUTURO ATTRAVERSO L'ESPERIENZA DEL PASSATO!**

CRISANPLAST CRISANPLAST CRISANPLAST

In activity since 1971 in the Injection Moulding of plastic Caps and Spray caps, Crisan Plast Italy offers the widest range of SPRAY CAPS without insert in EUROPE.

All the articles can be produced in the version for 4 mm stem valve or for 3,9 mm stem valve and with different orifice sizes, suitable for a great variety of products in **COSMETICS, HOUSEHOLD, PAINTS, AUTOMOTIVE sectors.**

For each product, CRISAN PLAST produces the right actuator and the result is a perfect combination between high technology performance and nice shape. With fast production time and with the possibility to design customized articles too, CRISAN PLAST can satisfy all clients expectations.

After 46 years the enthusiasm of the staff in creating new articles has not changed and neither has the Mission of making high quality products at competitive rates, in the most environmentally friendly way possible.

Today Crisan Plast slogan is: **BUILDING THE FUTURE THROUGH THE EXPERIENCE OF THE PAST!**
