# Company Presentation

Innovation *Packaging*

IPACK is a packaging solutions provider dedicated to the health & beauty market

The company produces tens of millions of packaging every year for its Perfumes and Cosmetics clients and specializes in Dispensing, SprayCaps, Caps and Closures solutions.

IPack Clients includes Hermès, LVMH, Chanel, Burberry, Clarins, L'Oréal, Interparfums, or L'Occitane.

Thanks to the creativity and expertise of IPACK's R&D team, Ipack can deliver custom products even on the most challenging projects.

Ipack also offers a range of standard products and patented packaging solutions.
