# Diffuse your fragrances, with VG Emballage new crimp Fea 15 sets

These elegant sets include a sprayer, an overcap and according to the desired finish level a pump cover.

The kits are composed of:

## **A SPRAY PUMP MELODIE**

The spray pump Melodie is an ultra-low profile pump, to crimp, soft to actuate with an excellent spray pattern.

The output is 100mcl (70mcl possible on request).

## **AZUR, AN OVERCAP IN SURLYN OR MELODIE AND ORCHESTRA TWO OVERCAPS IN ALUMINIUM**

The overcap Azur is in surlyn, a very transparent raw material. This brings a discreet and gives an elegant touch to your fragrances.

The aluminium overcap are available in two versions. A lighter version that does not required any pump cover and a premium version including a pump cover and a large and qualitative overcap.

## **A PUMP COVER**

A pump cover complete this qualitative kits, and enhances the pump collar.

These covers are available for the overcap Azur and Melodie.
