

EVOLUTION

BY 

VG EMBALLAGE

EVOLUTION, the new handle drums range, with many features!

A new packaging solution with a side handle very easy to use, EVOLUTION offers a wide customization area for a best visibility in store.

EVOLUTION is ideal for the concentrated formula and suits perfectly with phytosanitary markets (fertilizer, insect repellent...), pet's and vet's products (bovine products, food supplements...), household cleaning products (floor cleaner, detergent...) automotive products (engine cleansing, oil...), alimentary products (oil, syrup refill...), cosmetic products (institute shampoo refill...).

EVOLUTION, an infinitely-customizable drums range!
