

# PERFECTPak™ Prescription Vials and Closures

## Quality and Reliability in Every Dose

Our PERFECTPak™ vial and closure solutions for retail pharmacy make it easier for you to deliver your best to your patients with every dose. All vials and caps are compliant with USP light-resistant and CPSC child-resistant and senior-friendly requirements.

### Features & Benefits

- Custom imprint on child-resistant caps communicates your brand message
- Can print up to two colors with minimum order of five cases
- Seven vial sizes are compatible with three cap sizes for SKU simplification
- Sure-Fit™ design employs an audible snap every time the package closes
- Optimal visibility while protecting from light degradation
