**Phillip Hartley, GlaxoSmithKline plc.**

## Fulfilling your own vision of life.

### **Always be prepared. Thinking ahead.**

Apprenticeship, studies, internship and profession - welcome to groninger. Even with already over 1,000 employees we are and remain a family business.

We trust each other, treat each other with mutual courtesy and respect. Offering reliability and continuous prosperity are only two aspects that make us an attractive employer.

groninger offers ambitious, diversified and multi-layer jobs. Everything employees do is important to the company. Even the so-called 'little things' contribute to the development of the company. Because only by qualified and motivated employees it is possible to guarantee and increase success on the market.

Excellent technology  
made in Germany.  
Worldwide.
