

ShowerGuard®

Clean // Controlled

The industry benchmark for water ingress protection, ShowerGuard® reduces the risk of bacteria by keeping water out of the bottle—giving your product an extra measure of protection. And, with its convenient, one-handed operation, ShowerGuard goes beyond ordinary dispensers to make the shower experience feel more effortless for your customers.

ShowerGuard®

Single-handedly heighten the shower experience

- Easy, one-hand operation
- Designed for high-output applications like shampoos, conditioners and body washes
- Water-shielding design stops water ingress and prevents bacteria growth
- Modern, attractive profile
