FACE

- XINKUI TECH' s compacts have sleek shapes and their thick walled sections give a modern appearance.
- The packs also allow a broad variety of decoration techniques including screen printing, hot foil stamping, gradient spray as well as options to matte mould and metallization.
- A wide range of standard compacts are available for customers to personalise through comprehensive colouration and secondary finishing.

CRAFT WARE

Traditional artisanship adds a dose of humanity to our speed-conscious, digitalized world, as CRAFTWARE incorporates past values and incites self-expression.

CABARET

CABARET embraces a flamboyant lifestyle where identity survives conservatism. Come to the CABARET! Liberate and explore your true identity with carefree decadence and flagrant theatricality.

HYPERBOLE

HYPERBOLE speaks of exaggeration and extravagant effects.
Focusing on individual personality, this vivacious story
embraces colorful fun without age constraints.

Gradients

Gradient colors play on the notion of restraint and release. Some hues burst with vitality, like the Passionate Reds and Fruity Brights. Others like the Cool Cactus and Desert Dust tones remain subdued and discreet.
