ENCAPSULATED**

MENSHEN'S CAPSULES SERVE THE BEST CONSUMER EXPERIENCE

Single-serve capsules are an incredibly versatile packaging option. Beyond preserving the ingredients for that rejuvenating morning coffee, they can hold a wide range of soluble content for everyday use.

Our expert team at the Center of Excellence for Single-Serve Capsules in Barcelona, Spain is dedicated to ensuring your customers get the full-bodied experience of your coffee or other soluble product.

MENSHEN's Dolce Gusto®-compatible capsule is the only mono-material product on the market.

Our coffee capsules are fully compatible with the two most prominent systems: Nespresso®* and Dolce Gusto®*. We offer a wide variety of plastic, aluminium or compostable material capsules. Our mono-material solution is an easy-to-recycle product for a market that rightfully demands sustainable and environmentally-friendly solutions.
