

Soft fruit punnets for all reasons & all seasons

Standard Crate Features

Packing line performance is boosted with 'One size fits all' auto de-nest maximising productivity of the packing line and in the field with standard de-nest gap across the K37 range, eliminating the need for adjustment to the denesters and obviating punnet distortion evident in conventional operations.

- Supplying UK, Irish and European markets
- Creative designers of bespoke and conventional packaging
- On demand stock option

Optimised ribbing design

for maximum strength without bruising the fruit or compromising on packaging weight

Enhanced venting solution

- Increased air flow
- Reduced condensation
- Reduced spoilage

Sustainable low carbon rPET

Supplied to major retailers

Heat sealed or hand lidded options available on all our trays

World Class Beating Carbon Footprint Scoring

We manufacture our own supercleaned material on site, we don't rely on 3rd party manufacturers, which gives us total control of our manufacturing processes. Our packs contain some of the highest supercleaned post consumer waste percentages in the market, giving us world class beating carbon footprint scoring.

- The soft fruit punnet range is fully compatible with the industry standard jig fit range
- All punnets manufactured in at least 80% post consumer recycle
- Approximately 20% virgin PET used for capping layer to ensure quality of seal
- 100% recyclable

K37 Range

Vented standard or unvented options. Bubble Pad and Resolve Pad options. Auto-denestable.

SPECIFICATION

Code	K37/85	K37/70	K37/60	K37/50	K37/40	K37/35 Divide (Unvented)	K37 Lid
Dimensions (mm) (Padded options available)	184 x 117 x 85	184 x 117 x 70	184 x 117 x 60	184 x 117 x 50	184 x 117 x 40	184 x 118 x 35	187 x 121 x 10
Tgt Weight (Weight tolerance $\pm 10\%$)	17.64g	14.94g	13.09g	10.81g	10.24g	11.5g	7.52g
Pallet Qty	18,000	18,000	18,000	18,000	18,000	18,000	16,200
Cubic Capacity	1312cc	1095cc	945cc	793cc	638cc	514cc	N/A

K28 Range

Vented standard or unvented options. Bubble Pad and Resolve Pad options. Auto-denestable.

SPECIFICATION

Code	K28/75	K28/50	K28T/42	K28/36	K28 Lid
Dimensions (mm) (Padded options available)	136 x 114 x 75	136 x 114 x 50	136 x 114 x 42	136 x 114 x 36	140 x 118 x 10
Tgt Weight (Weight tolerance $\pm 10\%$)	11.96g	9.50g	6.18g	7.8g	5.5g
Pallet Qty	25,200	25,200	25,200	25,200	20,000
Cubic Capacity	715cc	478cc	459.5cc	345cc	N/A

K30 Range

Vented standard or unvented options. Bubble Pad and Resolve Pad options. Auto-denestable.

SPECIFICATION

Code	K30/75	K30/60	K30/34
Dimensions (mm) (Padded options available)	144 x 121 x 75	144 x 121 x 60	144 x 121 x 34
Tgt Weight (Weight tolerance $\pm 10\%$)	11.5g	11g	7.5g
Pallet Qty	25,200	25,200	25,200
Cubic Capacity	969cc	786cc	453cc

K36 Range

Vented standard or unvented options. Bubble Pad and Resolve Pad options. Auto-denestable.

SPECIFICATION

Code	K36/75
Dimensions (mm) (Padded options available)	184 x 118 x 75
Tgt Weight (Weight tolerance $\pm 10\%$)	12.99g
Pallet Qty	18,000
Cubic Capacity	1286.6cc

K62 Range

Vented standard or unvented options. Bubble Pad and Resolve Pad options. Auto-denestable.

SPECIFICATION

Code	K62/58	K62/40
Dimensions (mm) (Padded options available)	173 x 173 x 58	173 x 173 x 40
Tgt Weight (Weight tolerance $\pm 10\%$)	17.9g	16.9g
Pallet Qty	12,000	12,000
Cubic Capacity	1379cc	936cc

K80 Range

Vented standard or unvented options. Bubble Pad and Resolve Pad options. Auto-denestable.

SPECIFICATION

Code	K80/85	K80/70	K80/56
Dimensions (mm) (Padded options available)	277.5 x 180 x 85	277.5 x 180 x 70	277.5 x 180 x 56
Tgt Weight (Weight tolerance $\pm 10\%$)	43.2g	39.9g	33.2g
Pallet Qty	7,200	7,200	7,200
Cubic Capacity	2986cc	2513cc	2036cc

M81 Range

Bubble Pad and Resolve Pad options. Auto-denestable.

SPECIFICATION

Code	M81/85	M81/70	M81/60	M81/50	M81/40	M81/30
Dimensions (mm) (Padded options available)	183 x 117 x 85	183 x 117 x 70	183 x 117 x 60	183 x 117 x 50	183 x 117 x 40	183 x 117 x 30
Tgt Weight (Weight tolerance $\pm 10\%$)	17.6g	14.9g	13g	11.1g	10.2g	9.9g
