## INVERTED CONE.

The inverted cone shape of the neck, topped by a mouth ring, together with its taut, raised shoulders, give this design a contemporary, classic character. The result is a tremendously versatile and distinctive bottle.

### COLORS

WILD GLASS  
FLINT

# WILD GLASS

Wild Glass is the new reference for a handmade image, is the new fashion color, and it's produced by 100% recycled glass PCR (Post Consumer Recycled).
